Hi Sonja,

Yes, I plan on introducing the drugs in the order that I listed on my Microsoft word document. Sorry for getting back to you so late, but I was out at a conference in Boston on Friday. Thanks for the insight. I'll see you on Monday in Pittsfield.

One last question: Is the order you listed the pills on the attachment the same order you plan on asking them in court? It's okay if it's not, but I'm just curious if there is a particular reason why you listed them in the order you did (they're not by drug lab number, not by increasing or decreasing drug class, etc.)

Sonja,

When you have an opportunity, let me know what you think of the attached predicate questions.

Thanks,
John
